HISTORY OF CITIZEN OF THE YEAR AWARD

In the fall of 1988, at a meeting of Village leaders, it was decided that Carmel should recognize citizens who give outstanding service to their community. With widespread support the Carmel Residents Association was chosen to develop and sponsor this recognition event.

Ground rules were established, and criteria created for selection of a person or persons who would be given this new award.

Nominations were sought for people, who during this past year or years, have done an outstanding job of promoting the objectives of Ordinance 96 that states, in part, that "Carmel-by-the-Sea is primarily, essentially and predominantly a residential city." Candidates are required to live in Carmel-by-the-Sea or its sphere of influence.

We are honored to continue this important Carmel-by-the-Sea tradition.
