

Village Incentive Program (VIP) Offer Form

The Carmel Residents Association (CRA) believes it is important for our members to support our local businesses. To encourage them to do so, the CRA has put together an incentive program. We will provide our 2019 members, estimated to be in excess of 600 residents, with a *Village Incentive Program* (VIP) card that will be presented to receive special offers from supporting businesses.

If you choose to participate, please fill out the section below to indicate your discount/incentive and agreement with the terms of this program.
